

## BEN DAVIES & EMILY ATTWOOD

Ben & Emily first shot to dance fame when they won the UK Blues Open Dance Championship in 2011. A point to note here is that whilst they were both young at the time, Emily was just 16, and it was her first entry onto the competition dance floor. They shook the blues world that night and now each of them continues to attract the gaze of fellow dancers when they take to the floor at the much acclaimed B60 BLENDS music freestyle that Ben hosts.

During Ben's 10 year teaching career, he has spent many years being mentored by Lucky Skillen from the US, and Emily has often been Lucky's demonstrator in the UK, so those Blues veteran teaching techniques have rubbed off.

This weekend they help you to breathe in the Blues and exude connection, drama and beauty on the dance-floor.
